

Date: July 15 2020

Subject: League play and scoresheet procedures

- 1 If the Team chooses to use the Scorekeeper App. scoresheets may be submitted through the App.
- 2 If your Team chooses to use paper scoresheets please **submit a quality photo or PDF of the completed scoresheet to stlss@poolplayers.com at the end of League play if not submitted through the App.** 9-Ball will require both sides of the scoresheet. Place scoresheets in the large white APA Host Location envelope. Blank scoresheets are available in the host location packet.
- 3 **Submit payment at the end of League Play for the Team fees through the APA App.** Envelopes for mailing payments are in the HL packet for Teams unable to pay online.
- 4 A Team Patch request form will be kept at each Teams home Host location. **Mark patches earned and they will be left with the form at your home host location.**
- 6 Matches will be scored two days after play has happened. This gives teams an extra day to pay online because once matches are scored Teams are not able to go back and pay online. Teams who mail payments will be given a week for us to receive payment. If a team goes two weeks behind in Team fees bonus points will be removed for both weeks.

Any Issues? Please call Ryan or Dan with any concerns or Questions. We are happy to be coming back and want everyone to have fun and stay safe!

Thank you! RP/DN
